“60 years of creating life without limits for people with disabilities”

New Health Center Director for United Cerebral Palsy Association of Suffolk, Inc.

Hauppauge, NY -- UCP Suffolk is pleased to announce, Sayville resident Janet Alvarez has been promoted to the position of Health Center Director. She has served as the Health Center’s Associate Director since May of 2005. As such, she played an integral role in the design, construction and management of the day to day operations at the Center. She is also responsible for the implementation of the electronic health records (EHR) software, Next Gen, at the UCP Health Center.

Prior to joining UCP Suffolk, Alvarez was employed by North Shore – LIJ Health Systems, Forestdale Inc., and General Microwave Corporation.

Janet holds an MBA in Business Administration and a BS degree in Computer Science from Dowling College. She resides in Sayville with her husband and two children.

About United Cerebral Palsy: UCP Suffolk, based in Hauppauge, NY, provides services to 3,500 children and adults with a wide variety of disabilities annually, sixty five percent of whom have a disability other than cerebral palsy. UCP operates a comprehensive, fully accessible Health Center. For information, visit www.ucp-suffolk.org or call 631-232-0011.
